## **Animal Population Control Program (APCP)**

Thank you for choosing People for Animals and your interest in the APCP program! Along with the included application, there are also a few other things that we need from you so that you will be eligible for the program:

1. We need a valid copy of your identification.
2. We need a copy of proof of your government aid.
3. If you have a dog, your dog needs to be licensed in your town in order to be eligible. To get licensed, your dog needs to have an up-to-date rabies shot. If your dog needs one, you can bring him into our clinic during Walk in wellness hours:
  - a) Hillside: Tue 10-1, Wed 4-5, Thurs 10-1, and Sat 9-12
  - b) Robbinsville: Tue, Thurs and Fri 10-4.
  - c) Millville: Mon, Tues, Wed and Fri 10-2

The rabies vaccine is \$23 at our clinics. Once he/she has an up-to-date rabies shot, you can bring the rabies certificate (you will get one when the dog receives the vaccine) to your Town Hall and have him licensed. We need a copy of the license paperwork.

Also included in this packet is a copy of NJ state guidelines and the APCP application.
